ANATOMY OF A SUSPENSION SEAT

FRAME

Onyx-Coated:

All of our suspension seats are onyx powder-coated to a premium level preventing rust from corroding the frame.

Made In The USA:

Built with pride here in Southern California using a mixture of 0.65 and 0.95 3/4" thick steel tubing MiG welded to create the best suspension seats on the market.

FITMENT

Rip Resistant Mesh Liner:

Our suspension liners are rip resistant and vinyl-nylon coated for increased durability, which dampen the shock and vibration a seat will incur during rough riding, creating the suspension seat feeling.

CUSHION

FlexFoam Gel Infused Cushion:

Designed with comfort in mind. Constructed with a 3-stage foam cushion with cooling top layer that allow for more comfortable rides with less body fatigue.

COVER

Optimal Degree:

We're obsessed with creating the optimal driving position in whatever you drive and our 120 degree driving angle offers a natural spine position for increased comfort and alertness while driving.

Unique Offerings:

PRP offers an industry leading amount of options to truly customize your seat, your way.

SEATING UPGRADES

PREMIER

The original PRP suspension seat!
Slotted for your 5-point harnesses.

- Available Extra Tall and Extra Wide.
- Low Back Option Available.

ENDURO TRAIL

Stay planted on your adventure with the EnduroTrail! The increased side bolster will keep you perfectly positioned in your seat while riding back trails.

Daily Driver

The lower sides on this seat provide easy entry and exit for lifted vehicles, while still providing exceptional hip and shoulder containment.

- Adj. Head Rest Option Available

ENDURO TREK

Ride the trails comfortably contained with the all-new EnduroTrek! Life is about the journey and the EnduroTrek will get you there safely and securely.

PODIUM ELITE SERIES

The evolution of our popular suspension race seat. The Podium Elite Series has increased lateral containment for your legs and shoulders as well as a reinforced tab system for extreme strength in the toughest of races.

ENDURO DAILY

For the daily driver, you'll be riding in style and comfort anytime with the EnduroDaily, a fresh take on our bestselling off-road seat!

COMP ELITE

PRP's Competition seat with unique styling, larger harness openings, and a redesigned seat cushion for longer races.

ENDURO CRAWL

Crawling will never feel the same in the EnduroCrawl. Increased containment levels on the top and bottom of this recliner seat are a big upgrade to your crawling experience!

Benches are custom made to fit your vehicle in 1" increments from 30" through 68". Available with 2 or 3 adjustable or fixed headrests.
