

PRP WHEEL ANATOMY

Get ready to elevate any adventure with PRP's steering wheels! These wheels are built to endure the harshest terrains while turning heads with their rugged style. They seamlessly fit most aftermarket quick releases, ensuring you're always geared up and ready for action. Available in three vibrant colors, you can now match your steering wheel to your interior and stand out on every trail!

- 1** Durable, Moisture Resistant High-Quality Leather or Suede
- 2** Made From High Strength Aluminum With a Matte Black Finish
- 3** 2.75" 6 Point Bolt Pattern - Most Common in Off-Road Industry Quick Release Adapters
- 4** 1.5"-3" Depth Depending On Flat, D-Shaped, or Deep-Dish Wheel
- 5** 13" Diameter Wheel
